

# BETROTHAL

caleb andrews

## Verse 1

**C** **F2**  
Life is but a moment here and gone just like  
**Am7** **G**  
the wind. I'm praying that this moment I use  
**F**  
wise  
**C** **F2**  
To clothe You with devotion and pour my oil  
**Am7** **G**  
upon Your feet, to love you as ready and  
**F2**  
waiting bride.

## Bridge

**C** **G/B** **Am7**  
May I offer You more than just words, cause  
**F2** **G**  
Your worthy of all of my love.

## Chorus

**C** **G/B** **Am7**  
I wanna love you well in this betrothal,  
**G** **F2** **G**  
until you come again. May I spend my time wisely.  
**C** **G/B** **Am7**  
I wanna love you well in this betrothal,  
**G** **F2** **G**  
until you come again. May I spend my life wisely.

## Verse 2

**C** **F2**  
My days You have numbered and wanderings You  
**Am7** **G**  
have known, when I rise and when I fall You  
**F2**  
are aware.  
**C2** **F2**

I believe You still pursue me as man who is  
in love, I pray that I'd pursue You as a  
wife.
