(capo 3)

F G C G/B
I'm longing I'm aching for the age to come.
F G C G/B
My heart burns within me to know this one.
F G C
I'll spend my life searching I will lay it
G/B F G
all down. To know you.

Am7 G
I'm longing for the day when I will see your

face, come quickly, come quickly.

Am7 G
I'm longing for the day when the shadows

flee away, come quickly, come quickly.

F G C G/B
So find me here waiting when you return.
F G C G/B
My heart unfaded alive in your love.
F G C
With garments of pure white I will stand on

that day. Because I know you.
