

Love Scarred

Ian Sharp

D D/B Asus D/G

Verse 1

Faithful Northstar Love
I've lost my way again
Tossed upon this sea
Blown off course by the wind
Longing for Your arms

Verse 2

Faithful Compass Heart
Guide me where I belong
Deep beneath Your stars
So far away from my home
Just a prayer away from your arms

Verse 3

Faithful Love-scarred Hands
Hopeful Love-pierced Heart
Bind my life to Yours
Receive my weaker part
Back into Your arms

Chorus:

Em D/F# G
Bm A G

So search me, every deck,
And empty me of my pride
Spirit of my Lord
This vessel is Yours to guide
This life was never mine
This heart is Yours to hide

This heart is Yours to hide... (repeat)
